a community-wide initiative

**HEAL**Together  
responding to our grief

Through the community-wide initiative Heal Together, Coastal Kids Home Care is coordinating a training for mental health providers and other community members who regularly come in contact with people who are grieving.

*Training is facilitated by The Dougy Center, world-renowned experts in grief and bereavement, and will include information about grief, activities and assessments that can help create goals in grief counseling, and tools that can help a bereaved person move through their grief.*
